Notes to the Financial Statements

Albert Park Yachting & Angling Club Inc.

For the year ended 30 June 2017

1. Statement of Significant Accounting Policies

The Financial Statement is a general purpose financial statement that has been prepared in accordance with Accounting Standards and other authoritative pronouncements of the Australian Accounting Standards Board and the requirements of the Associations Incorporation Reform Act 2012.

The Financial Statement covers Albert Park Yachting & Angling Club Inc. as an individual entity. Albert Club Yachting & Angling Club Inc. is an association incorporated in Victoria under the Associations Act 2012.

The Financial Statement has been prepared on an accrual basis and under the historical cost and does not take into account changing money values or, except where state, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets.

The following is a summary of the accounting policies that have been adopted in the preparation of the statements. Unless otherwise stated, the accounting policies adopted are consistent with those of the prior year.

Income Tax

Member income is excluded under the principle of mutuality.

Inventories

Inventories are carried at the lower of cost or net realisable value.

Property, Plant and Equipment

Each class of Property, plant and equipment is initially recorded at the cost of acquisition or fair value less, if applicable, any accumulated depreciation and impairment losses.

Plant and equipment that has been contributed at no cost, or for nominal cost, is valued and recognised at the fair value of the asset at the date it is acquired.

a) Property

Buildings are measured on the fair value basis, being the amount for which an asset could be exchanged between knowledgeable willing parties in an arm's length transaction. It is a policy of Albert Park Yachting & Angling Club Inc. to have an independent valuation every three years, with annual appraisals being made by the directors.

The Albert Park Yachting & Angling Club Inc. has a 25 year lease with the City of Port Phillip which does not provide for any payment at the end of the lease for the value of the building therefore the building will be depreciated accordingly over the period of the lease.

b) Plant and equipment

The carrying amount of plant and equipment is reviewed annually to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets employment and subsequent disposal. The expected net cash flows have not be discounted to present values in determining the recoverable amounts.

c) Depreciation

The depreciable amount of all fixed assets including buildings and capitalised leased assets, but excluding freehold land, is depreciated on a straight line basis over their useful lives to Albert Park Yachting & Angling Club Inc. commencing from the time the asset is held ready for use.

Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements

Employee Entitlements

Provision is made for the liability for employee entitlements arising from services rendered by employees to 30 June 2017. Employee benefits have been measured at the amounts expected to be paid when the liability is settled, plus related costs.

Provisions

Provisions are recognised when the entity has a legal or constructive obligation resulting from past events, for which it is probable that there will be an outflow of economic benefits and that outflow can be reliably measured. Provisions are measured using the best estimate available of the amounts required to settle the obligation at the end of the reporting period.

Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held on call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts.

The Albert Park Yachting & Angling Club Inc. holds \$1,055.72 in a CBA account. These funds have been accumulated for the Shellfish Reef Restoration Project. This amount has not been included in the accounts of the Albert Park Yachting & Angling Club Inc.

Revenue Recognition

Revenue from the sale of goods is recognised upon the delivery of goods to members.

Revenue from the rendering of services is recognised upon the delivery of the services to members.

Revenue from commissions is recognised upon delivery of services to members.

Revenue from interest is recognised using the effective interest rate method.

All revenue is stated net of the amount of goods and services tax (GST).

Goods and Services Tax

Transactions are recognised net of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the balance sheet.

Auditor's report

Albert Park Yachting & Angling Club Inc.

For the year ended 30 June 2017

Independent Auditors Report to the members of the Association

We have audited the accompanying financial report, being a special purpose financial report, of Albert Park Yachting & Angling Club Inc. (the association), which comprises the committee's report, the assets and liabilities statement as at 30 June 2017, the income and expenditure statement for the year then ended, cash flow statement, notes comprising a summary of significant accounting policies and other explanatory information, and the certification by members of the committee on the annual statements giving a true and fair view of the financial position and performance of the association.

Committee's Responsibility for the Financial Report

The committee of Albert Park Yachting & Angling Club Inc. is responsible for the preparation and fair presentation of the financial report in accordance with the Australian Accounting Standards (including Australian Accounting Interpretations) and the Associations Incorporation Reform Act 2012, and for such internal control as the committee determines is necessary to enable the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation and fair presentation of the financial report, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial report of Albert Park Yachting & Angling Club Inc. is in accordance with the requirements of the Associations Incorporation Reform Act 2012, including:

- (i) giving a true and fair view of the association's financial position as at 30 June 2017 and of its performance for the year ended on that date; and
- (ii) complying with Australian Accounting Standards.
